Ms. Jenefer Duane
Chief Executive Officer and Executive Director
Elder Financial Protection Network
550 Montgomery Street, Suite 485
San Francisco, CA 94111

Dear Ms. Duane:

I would like to applaud Elder Financial Protection Network (EFPN) for the work you have done in preventing the financial abuse of our elders. Your organization has promoted public awareness and has built relationships with partners in our community who are committed to keeping our elderly safe. I am proud of the relationship that my office has developed with EFPN as we both reach out to our elder community and their families to prevent financial abuse. The best approach to public safety is always to prevent crimes before they occur.

I also wish to thank you personally for inviting me to serve on the EFPN Honorary Committee. I am impressed by the breadth of local, state and national public and private organizations who participated in the 2009 Fifth Annual "Call to Action." I look forward to continuing our work with you and EFPN in the future.

Sincerely,

A handwritten signature in blue ink, appearing to read "Kamala D. Harris".
