Re: Elder Protection Summits

Dear Ms. Duane: *Jenefer*

I want to thank you again for your participation in the Elder Protection forums this year. Together, we have raised awareness about elder abuse and have empowered seniors with knowledge to protect themselves. Indeed, it is true that the durability and quality of a society is measured by the respect that we show toward seniors.

I greatly enjoyed our partnership in working together to make a difference one-by-one throughout the communities in Sonoma County. Again, thank you so much for your participation in the Elder Protection summits.

*\* Thank you so much,  
for all that you do!  
Wishing you all  
the best!*

Very truly yours,

STEPHAN PASSALACQUA  
Sonoma County District Attorney
