Ms. Jenefer Duane, Executive Director
California Community Partnership
for the Prevention of Financial Abuse (CCPPFA)
1400 A Grant Avenue
Novato, CA 94945

Jenefer,

Thank you again for two very successful meetings in Yolo County. Your February 21, 2002 presentation of the CCPPFA program community development model to all county law enforcement and social services agencies won the support of all who attended, as evidenced by the subsequent invitation to banks that was signed by all of the police chiefs and agency directors.

We sent the letter to every financial institution in Yolo County, requesting their attendance at a meeting on March 20, 2002. The meeting with CCPPFA and Yolo County financial institutions was a similar success. The nineteen people who attended represented nearly every institution in the county, and gave high praise about your presentation and organization.

With your continued help and input, we are now looking forward to the strategic rollout of training sessions for banks. I am scheduling two sessions: June 11 in the afternoon, and June 12 in the morning. As we have discussed, myself, a representative of Adult Protective Services, and you, will conduct the training.

Again, thank you very much for supporting our effort to fight elder abuse in Yolo County. We look forward to the continued development of a dynamic and successful community partnership program.

Best regards,

Suzanna Mak
